

By God's grace, mercy, and strength we have become overcomers! But that's not enough. We also want to help you to understand that a life of purity is the most thrilling, most exciting life available. Honest! It's because purity keeps the flow of God's love and grace wide open. We want to help you be able to stand against the temptations of sexual sin in our society today, and to have you join the *Purity Challenge* of many other teens who are enjoying and pursuing sexual purity. You are not alone in this battle, and we really do want to help you!

Anything outside of the principles of the Word of God, only leads to broken lives, broken marriages, broken relationships, and especially a broken relationship with your heavenly Father. Maybe you aren't comfortable talking about sex, or haven't thought much about it or don't think you've been affected by it. That's okay. But understand that sexuality and purity definitely need to be addressed and committed to in your life. You can't just hope purity will happen. So we want to help you learn and understand the vital, wonderful part God created within us called sexuality and the way to protect that through purity.

If you want to live a life of power,
then you must live a life of purity!
If you want a life of purity, you
must live a life that sees and
understands reality and truth.

Setting Captives Free exists to offer Christ-centered hope and freedom to those in the grip of sin through accountability to Bible-based truth, resulting in the true enjoyment of life in and for the glory of God.

This course is designed for you because we want to assist you in squeezing the very best out of this phase of your life and also prepare you to live a successful, power-filled life in all the phases yet to come!

Remember this... the key to living a life of power - is purity!

This course, **Purity Challenge** will teach you, challenge you, and give you battle strategies to help you live a life of purity. To enjoy the very best out of every phase of life, purity is a requirement. Why purity? Purity is truth and reality. Purity doesn't change. Purity is rock solid because it is based on who God is. "*Therefore be perfect as your heavenly Father is perfect*". God is completely perfect, without blemish, pure. The more we seek and live purity, the more we learn of God and His very nature. "*Blessed are the pure in heart, for they shall see God.*" The closer we draw to God, the fuller, deeper, more intense we are able to enjoy and experience everything else, for God is the highest, fullest, most of every good thing! Purity is a must because it maintains a clean, tender, open heart to God and his working in our lives. There are many things that fight against our purity. One of Satan's most effective tactics is to distort the reality of what God says and promises, and make us think we can enjoy something our own way, more than God's way.

If you want to live a life of power, then you must live a life of purity! If you

want a life of purity, you must live a life that sees and understands reality and truth. That's what we want to teach you and train you to recognize. Therefore, this course will be based on truth, as a biblical study. It will be challenging but as God's Word is put to use in you, it has the power to free you from sin's grip, and to help you keep your life pure and powerful for God's glory.

Over this 30-lesson course, we will be looking at what God's Word says about the following subjects:
