

**Dear Friend,**

Let's face it, homosexuality has lied to us. It promised us happiness, fulfillment and peace - in short, it promised satisfaction. It promised to fill our emptiness and remove our nagging doubts about ourselves. Did it deliver? Not in my case. Since nothing ever really brought me satisfaction, I continued on a progression of more and more serious involvement, culminating in sexual encounters with strangers. Perhaps you've been there, too, doing something you thought you would never do. I know I did. Yet, no matter how bizarre my behavior became, how many new thrills I sought, nothing EVER brought me peace and satisfaction. - Dick Davis

You have arrived at the **Door of Hope**, the course that will teach you to enjoy a newfound relationship with the Lord and how to find freedom from homosexuality.

There is great hope in having the glory of God as our motivation! If we have a purpose in our hearts to glorify God, we are working in concert with God, and He will enable us to do what we seek to do. Proper motive will ensure our success, as God Himself comes to our aid so that He would be glorified.

**"Therefore, whether you eat or drink, or whatever you do, do all to the glory of God" 1 Corinthians 10:31**

My name is Mike Cleveland and, along with Dick Davis, I am the author of this course. We will be walking you through the 60 lessons, as you seek to be free from homosexuality. Dick has first-hand experience dealing with and overcoming homosexuality through the power of Jesus Christ. Throughout the course Dick shares his story with you.

As a youngster, I was very angry and experienced a lot of rejection from my father. I believe this set the stage for my homosexual behavior, as I grew older.

My first recollection of same sex attraction was in the first grade in school. Over the years, I had a few long-term "relationships" but, for the most part, they were one-time events - the parks, public restrooms, etc. I tried the "adult" movie houses, but they did not appeal to me. In time, nothing appealed to me, but I could not stop the addiction within, so I went back to the slop - time and time again - even after I married a woman and had children. I wanted to quit, but could not! I was in the pitch black of darkness and could not find the door.

In 1997, I had a renewal in my spirit with the Lord. I promised Him that I would walk away from my homosexual behavior, and I pretty well kept my promise. However, I could not shake the enemy of my soul. I tried, but could not quit on my own!

The Lord not only brought me out of my homosexual behavior, but He took

away all the pain of my childhood, all of my rejection from my father and from others. He has given me a new song to sing, a song of victory and freedom. I am now walking in freedom, a freed slave. I owe it all to the Lord and to the Door of Hope for setting this captive free!"

"Despite what you may have heard elsewhere, you can be set free from bondage to homosexuality through the power of Jesus Christ! If you will apply the principles found here, you too can walk through the **Door of Hope** into a new life with Christ, free from homosexuality."

What does **Door of Hope** teach about homosexuality?

*First and foremost*, we must have a personal relationship with Jesus Christ so that the power of His Holy Spirit is available to us.

*Secondly*, we must also make the decision to change for the right reason. There is real hope for obtaining freedom from homosexuality when our motive is the glory of God. If we begin to focus on the glory of God,

we will inevitably change. The **Door of Hope** teaches how to focus on God's glory as our motivation for change!

Course member Gene wrote, "I began the course informing my assigned mentor I had little hope it could do anything for me. But because I was willing to follow instruction and honestly seek the Lord, I discovered He is gracious beyond compare to grant godly sorrow which effects true repentance. Today I am the free man I once thought could never be. Am I tempted by sexual sin at times? Yes. Have I fallen to that temptation? Not since very early on as I took The Way of Purity course last year. He has granted to me authority over my sin so it no longer has dominion over me. Intimacy with my wife is incomparable to what it was when I walked in rebellion; in fact it's incomparable to anything I've ever known, and I'm now 55 years old. "
