Hello Friend,

My name is Mike Cleveland, Founder and president of Setting captives Free. I was in sinful bondage for 15 years of my life. I know the power of temptation and the guilt and shame that come from continual falling to sin.

I read every book on which I could get my hands, went from one counselor to another seeking help, tried the 12-step programs, therapy, and religion only to find that after all that time and money I was still falling.

In January of 1999 I found myself in front of my pastor confessing the power that temptation and sin held over me. What he told me that day, and what he taught me in the coming months, has freed me completely from the prison of habitual sin.

THE COURSES:

The purpose of **The Way of Purity Course** is to **actually recover** men and women from slavery to sinful habits. We are thankful for the informative work of other web sites against captivity, and have drawn from many of them, but our heart's desire is to reclaim those who are captive, to recover those who are enslaved; not merely to inform, but to help release.

The goal of **The Lord's Table** is to learn to enjoy a deeper relationship with the Lord and find freedom from the tyranny of food. The Lord's Table is not behavior modification with prayer assistance. It is not a program that focuses on dieting or food or pills. It is about setting forth Christ as the soul's satisfaction, repenting from sinful habits of overeating, and maintaining accountability.
